

EMAIL TEMPLATE

We are please to announce that we're now accepting cryptocurrency donations!

All donations help us prioritize children's mental health in our families, schools & communities through prevention, education & treatment. Your generosity does more than you could ever realize including; saving lives, providing critical mental health services, enriching families, strengthen our youth and so much more!

Donating crypto is a win-win for both our organization and you! The IRS classifies cryptocurrency as property this means it's treated the same way as stocks. When you donate crypto you avoid the capital gains tax while writing off the full charitable deduction.

We've been proudly serving the Treasure Coast for 25 years providing the highest level of quality mental health services for children & adolescents. Help us continue to do so by spreading the word to your friends & family!

Your Generosity Matters because Mental Health Matters Every Day!

A New Way to Give a Helping Hand
